

Aviation Safety & Security Directive 2/17

Oversight of Service Providers

I hereby direct that the oversight of any Civil Aviation Affairs (CAA) Directorate undertaking a service provision function that is required by Regulation to be certified, shall have that oversight undertaken by the Aviation Safety & Security Directorate as the appropriate Authority.

Oversight, for the purposes of this Directive, shall include receipt of applications for certification, compliance monitoring (including inspection and auditing) and any other function of oversight required to satisfy Regulations.

Mohamed Thamer Al-Kaabi

Undersecretary for Civil Aviation Affairs
